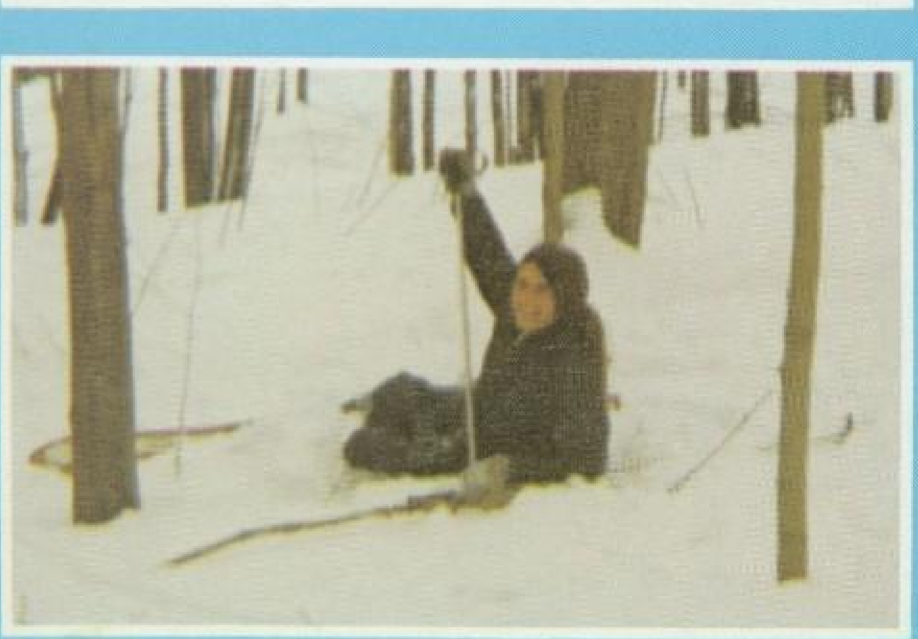
OOSTER CLUB



"you've got to get up every morning
with a smile on your face,
and show the world all the love in your heart;
then people gonna treat you better,
you're gonna find, yes you will,
that you're beautiful as you feel."
carole king

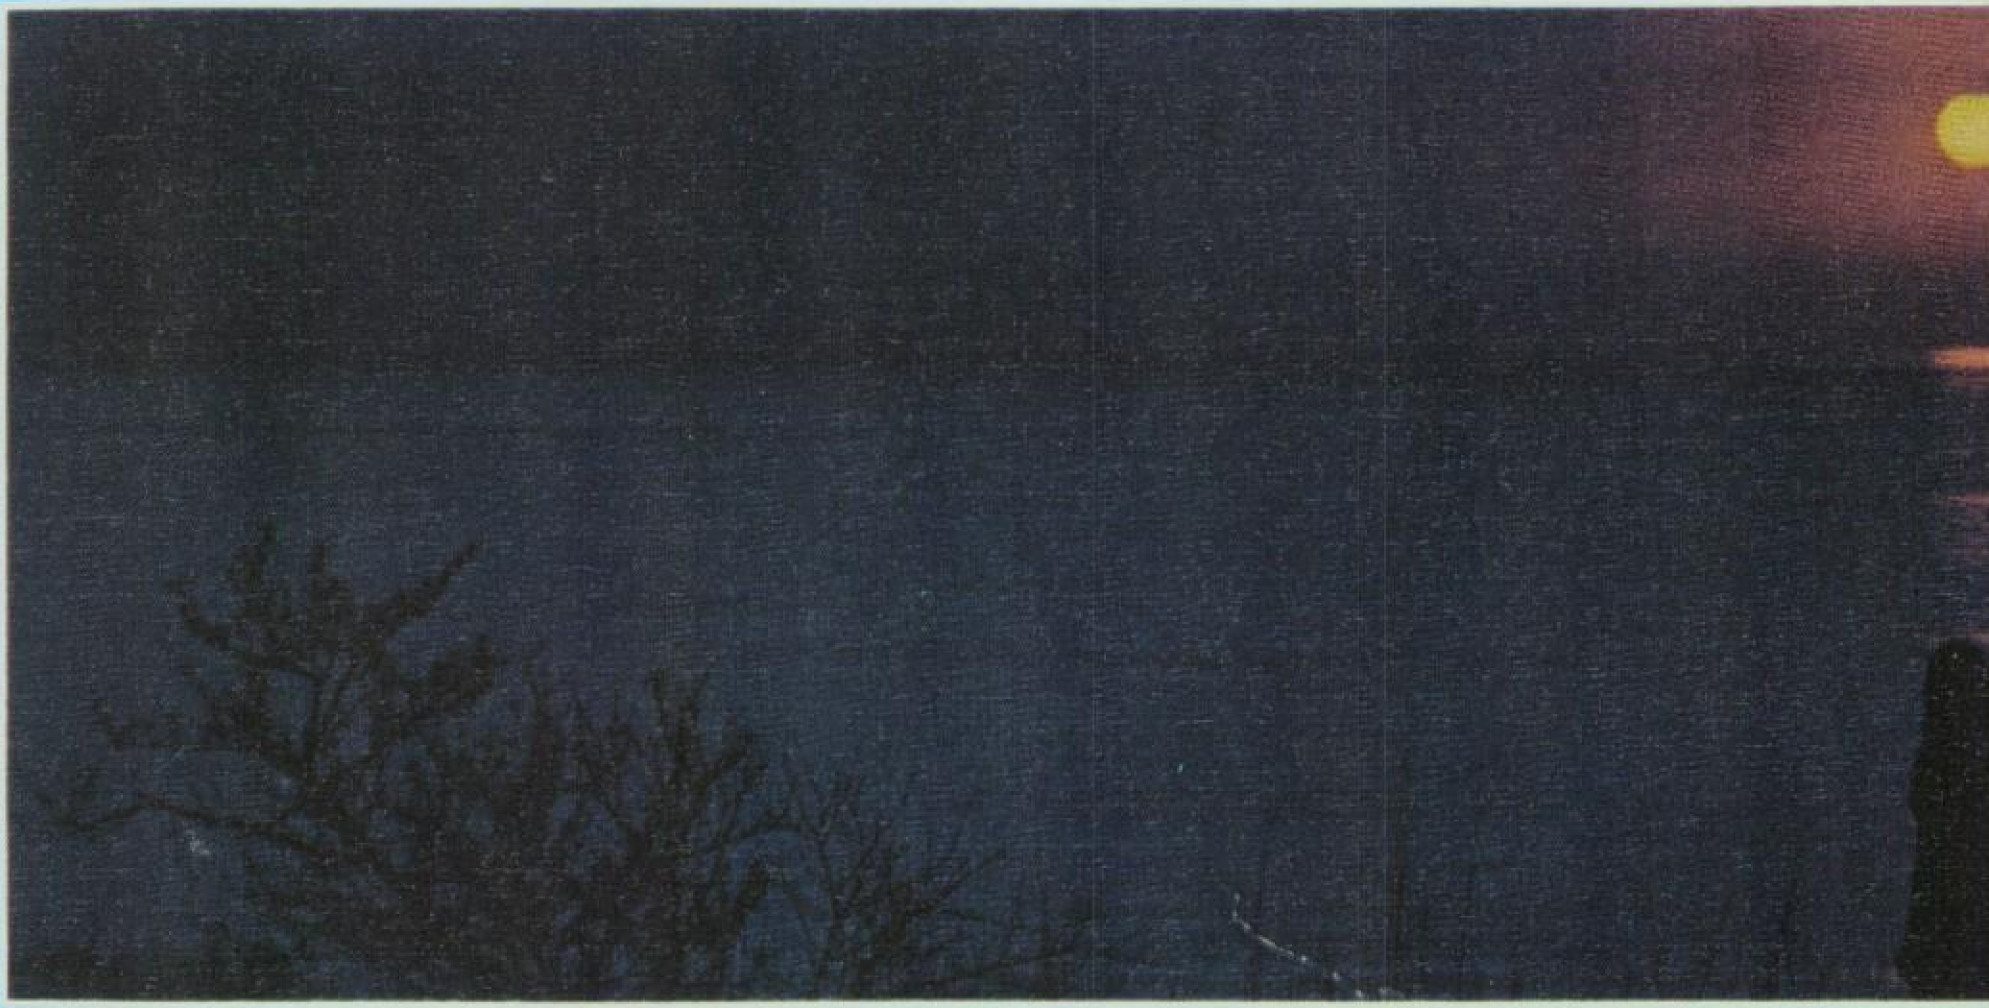
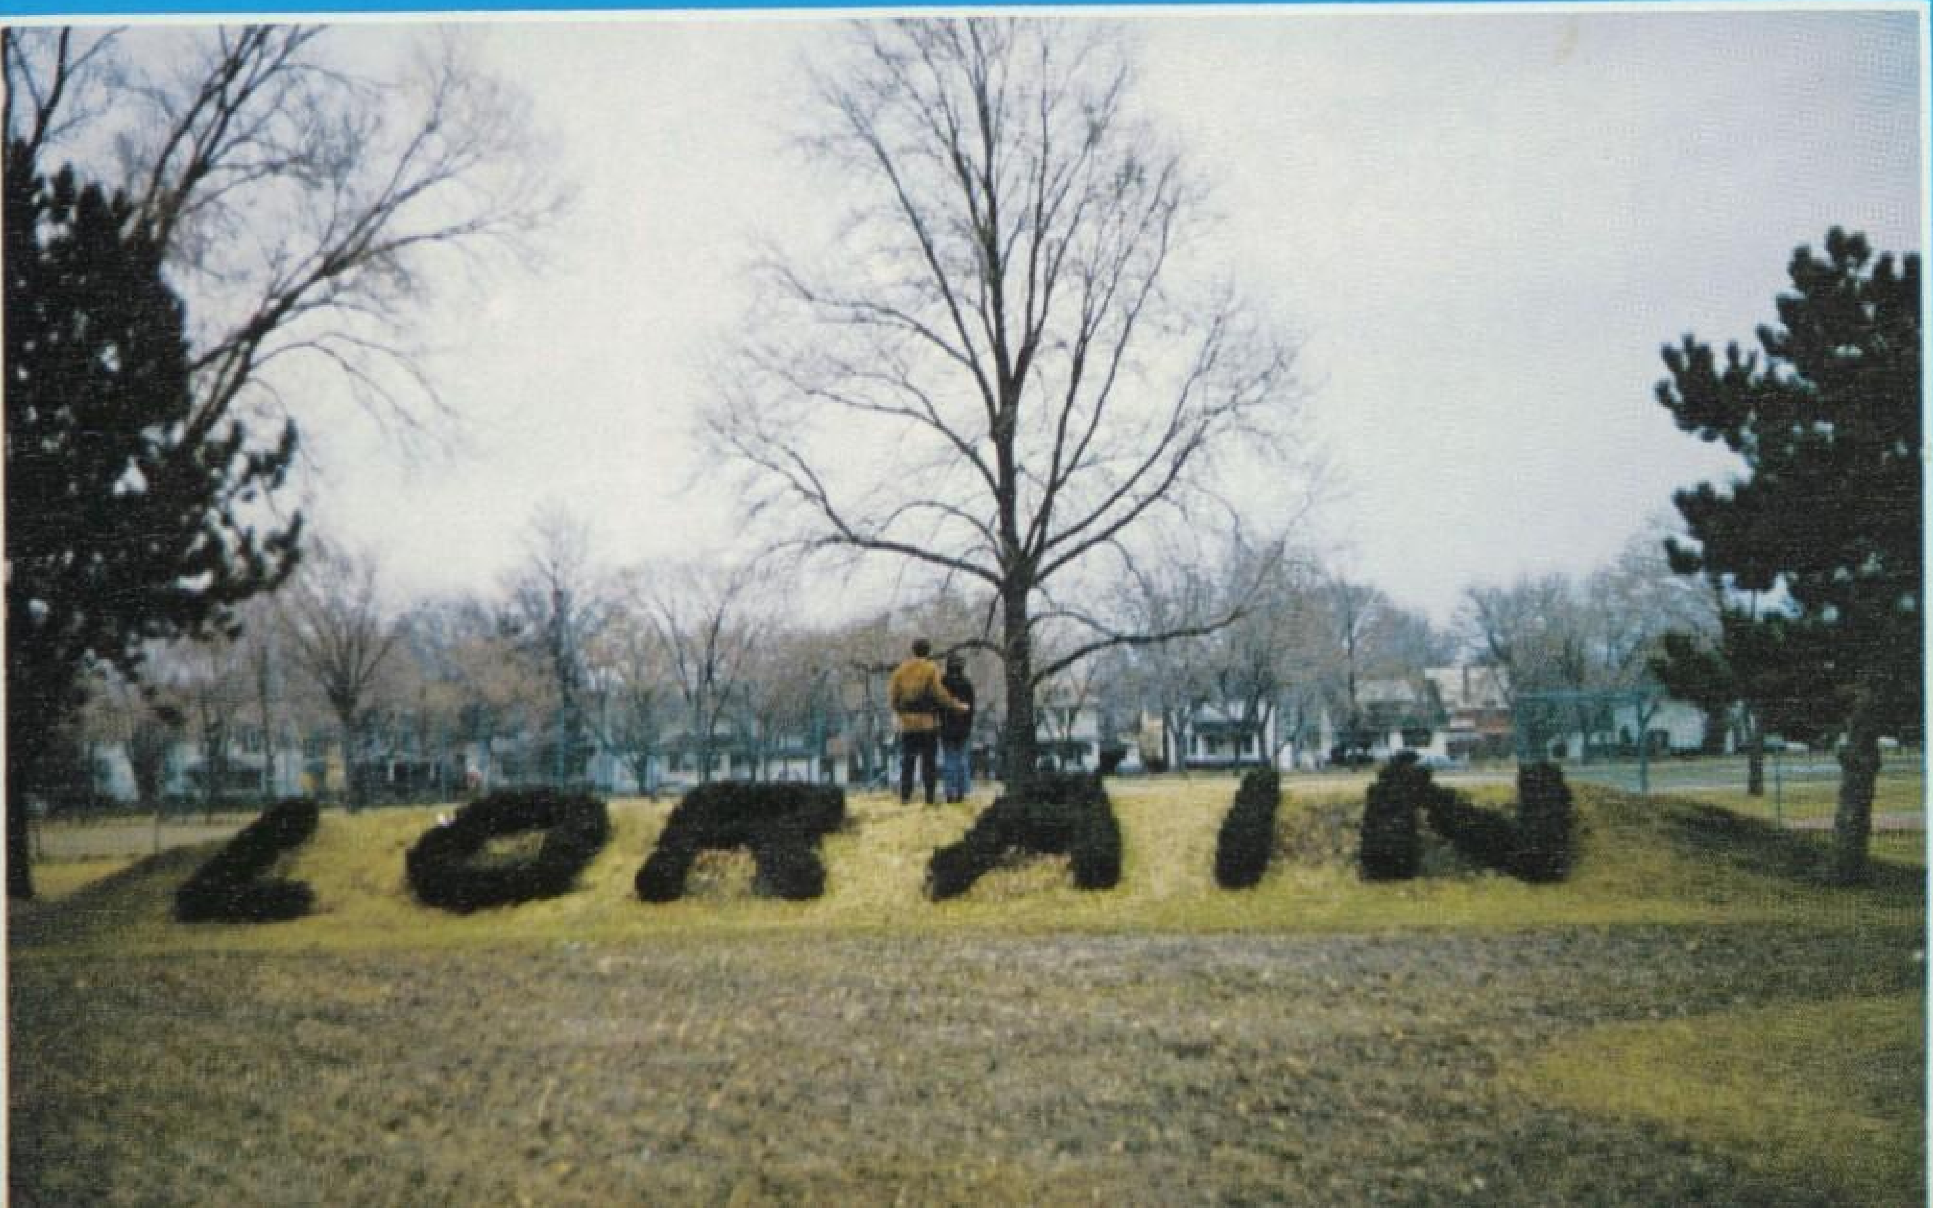
"and let your best be for your friend;
seek him always with hours to live.
and in the sweetness of friendship let there be laughter,
and sharing of pleasures.
for in the dew of little things the heart finds its morning
and is refreshed."

— kahlil gibran

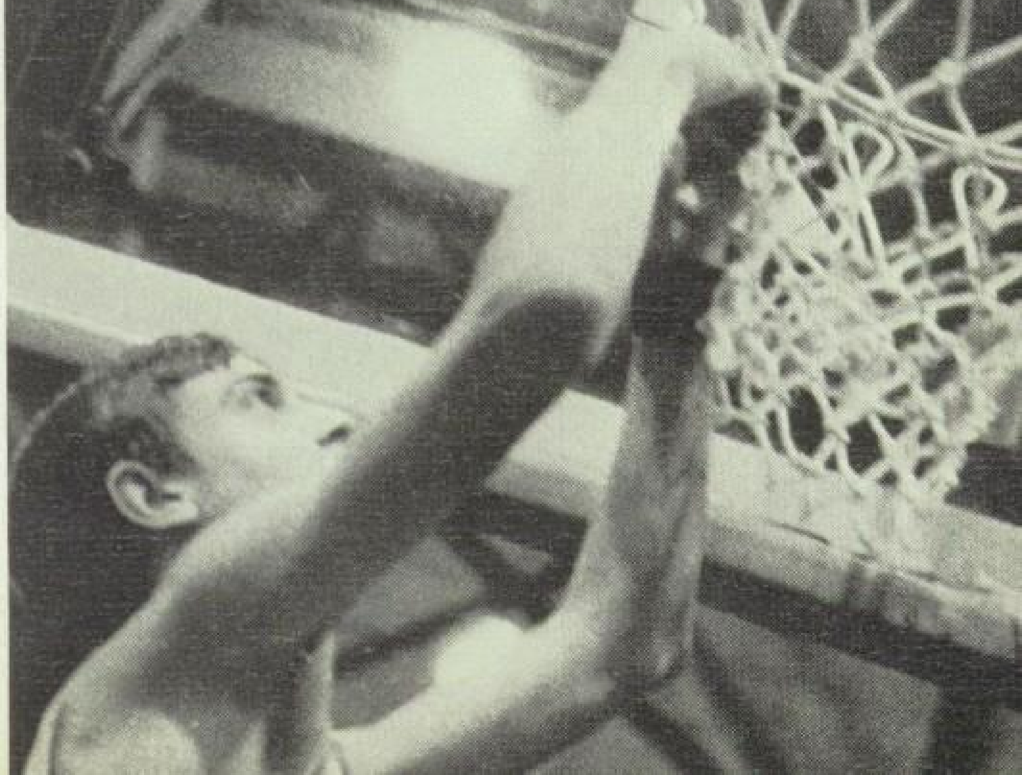


"it was but yesterday we met in a dream . . .
if in the twilight of memory we should meet once more,
we shall speak again together and you shall sing to me
a deeper song,
and if our hands should meet in another dream
we shall build another tower in the sky."
— kahlil gibran

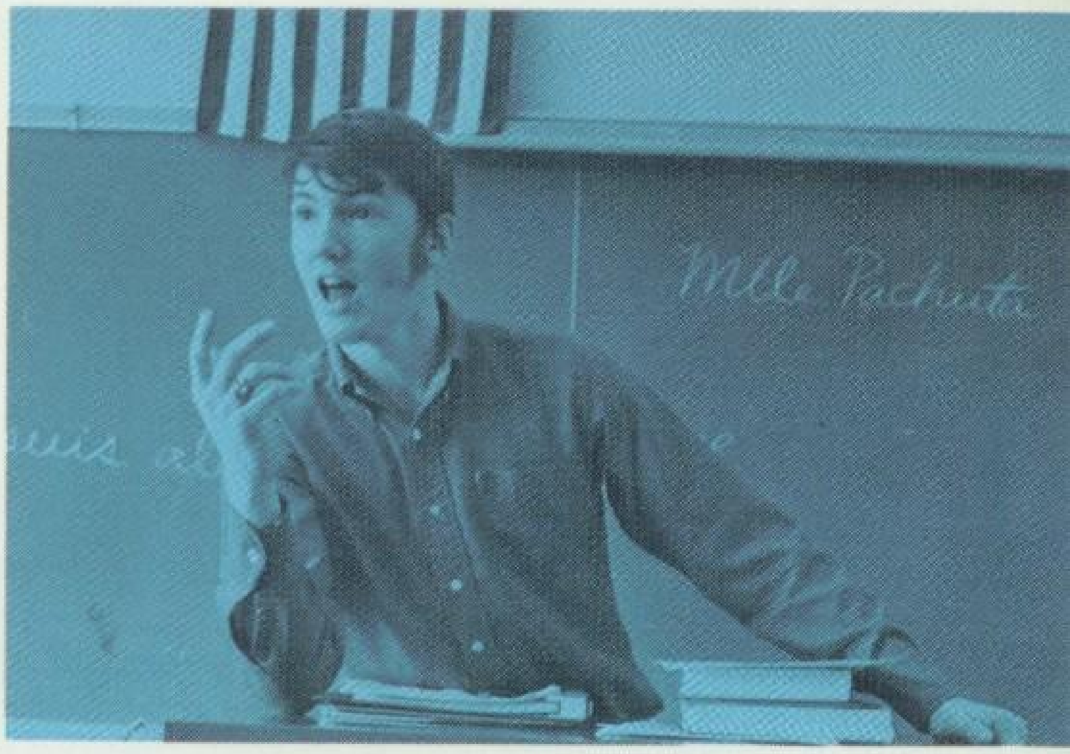


Admirals

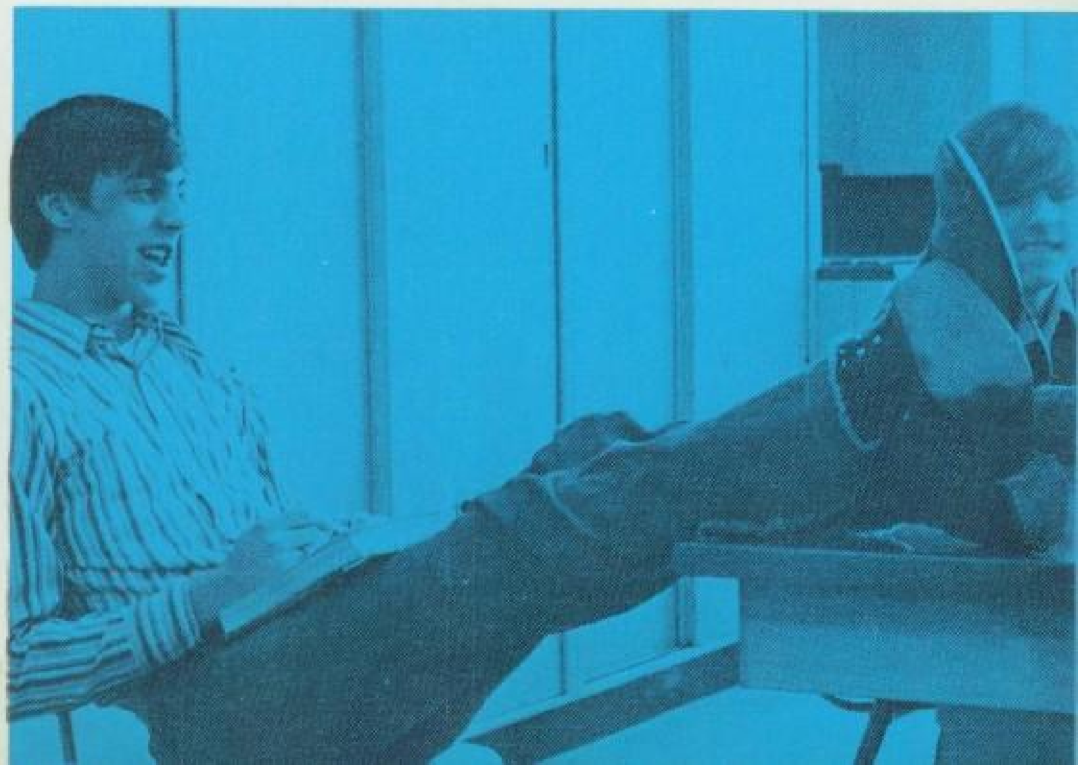
"what do we got? spirit!
what? spirit!
first you spell it when you yell it —
s — p — i — r — i — t . . .
spirit, spirit, spirit, hey!
what do we got? spirit! hey!"



"reflected in the water
is a face that you don't know,
and isn't it surprising
when you find out it's your own."
— traffic



Mlle Pachuta



"and let today embrace the past with remembrance
and the future with longing."
— kahlil gibran

having been tagged as a young, inexperienced team at the beginning of the basketball season, king's cagers surprised nearly everyone by posting an excellent 18 and 5 record. led by first-year coach mitch gillam, the admirals finished second only to findlay in the buckeye conference. completing the season with the second best basketball record in king's history, the young admirals went on to win the sectional title against midview and the district title against st. edward's before falling to powerful east tech in the regionals. this year's squad gained recognition by reaching the "sweet sixteen" group, being one of the sixteen teams left in the state after winning the district. this year's team also had the distinction of being one of only three teams in king's history ever to reach the regionals. congratulations to coach gillam and his fine admirals!

rewriting the record books . . .

fall sports

football

knowing this would be his last season playing high school football, admiral king quarterback don fritz, jr. decided to make the most of it — as a result three school records were broken. his ten touchdown passes for a single season this year surpassed the old record of five touchdown passes by fred glick in the 1961-62 football season, while his eleven career touchdown tosses also set a new mark. during the regular season, fritz threw four record-breaking touchdown passes against southview, breaking the old mark of two touchdown passes formerly held by glick and ruben lopez. fritz's efforts in the southview game led the admirals to an alltime scoring high with a 54 to 0 win.

on the opposite end of king's passing threat was carlos cato, king's elusive split end. in his varsity career cato set numerous records including: the most passes caught in a single game — seven against findlay last year; the most touchdown passes caught in a single game — three against southview this season; and the most catches and yardage gained as a junior in a single season — 23 catches and 386 yards. other receiving marks set by the speedy receiver were: 44 career catches; eight touchdown passes in a single season; 726 yards gained in one season; and six scoring catches in one year.

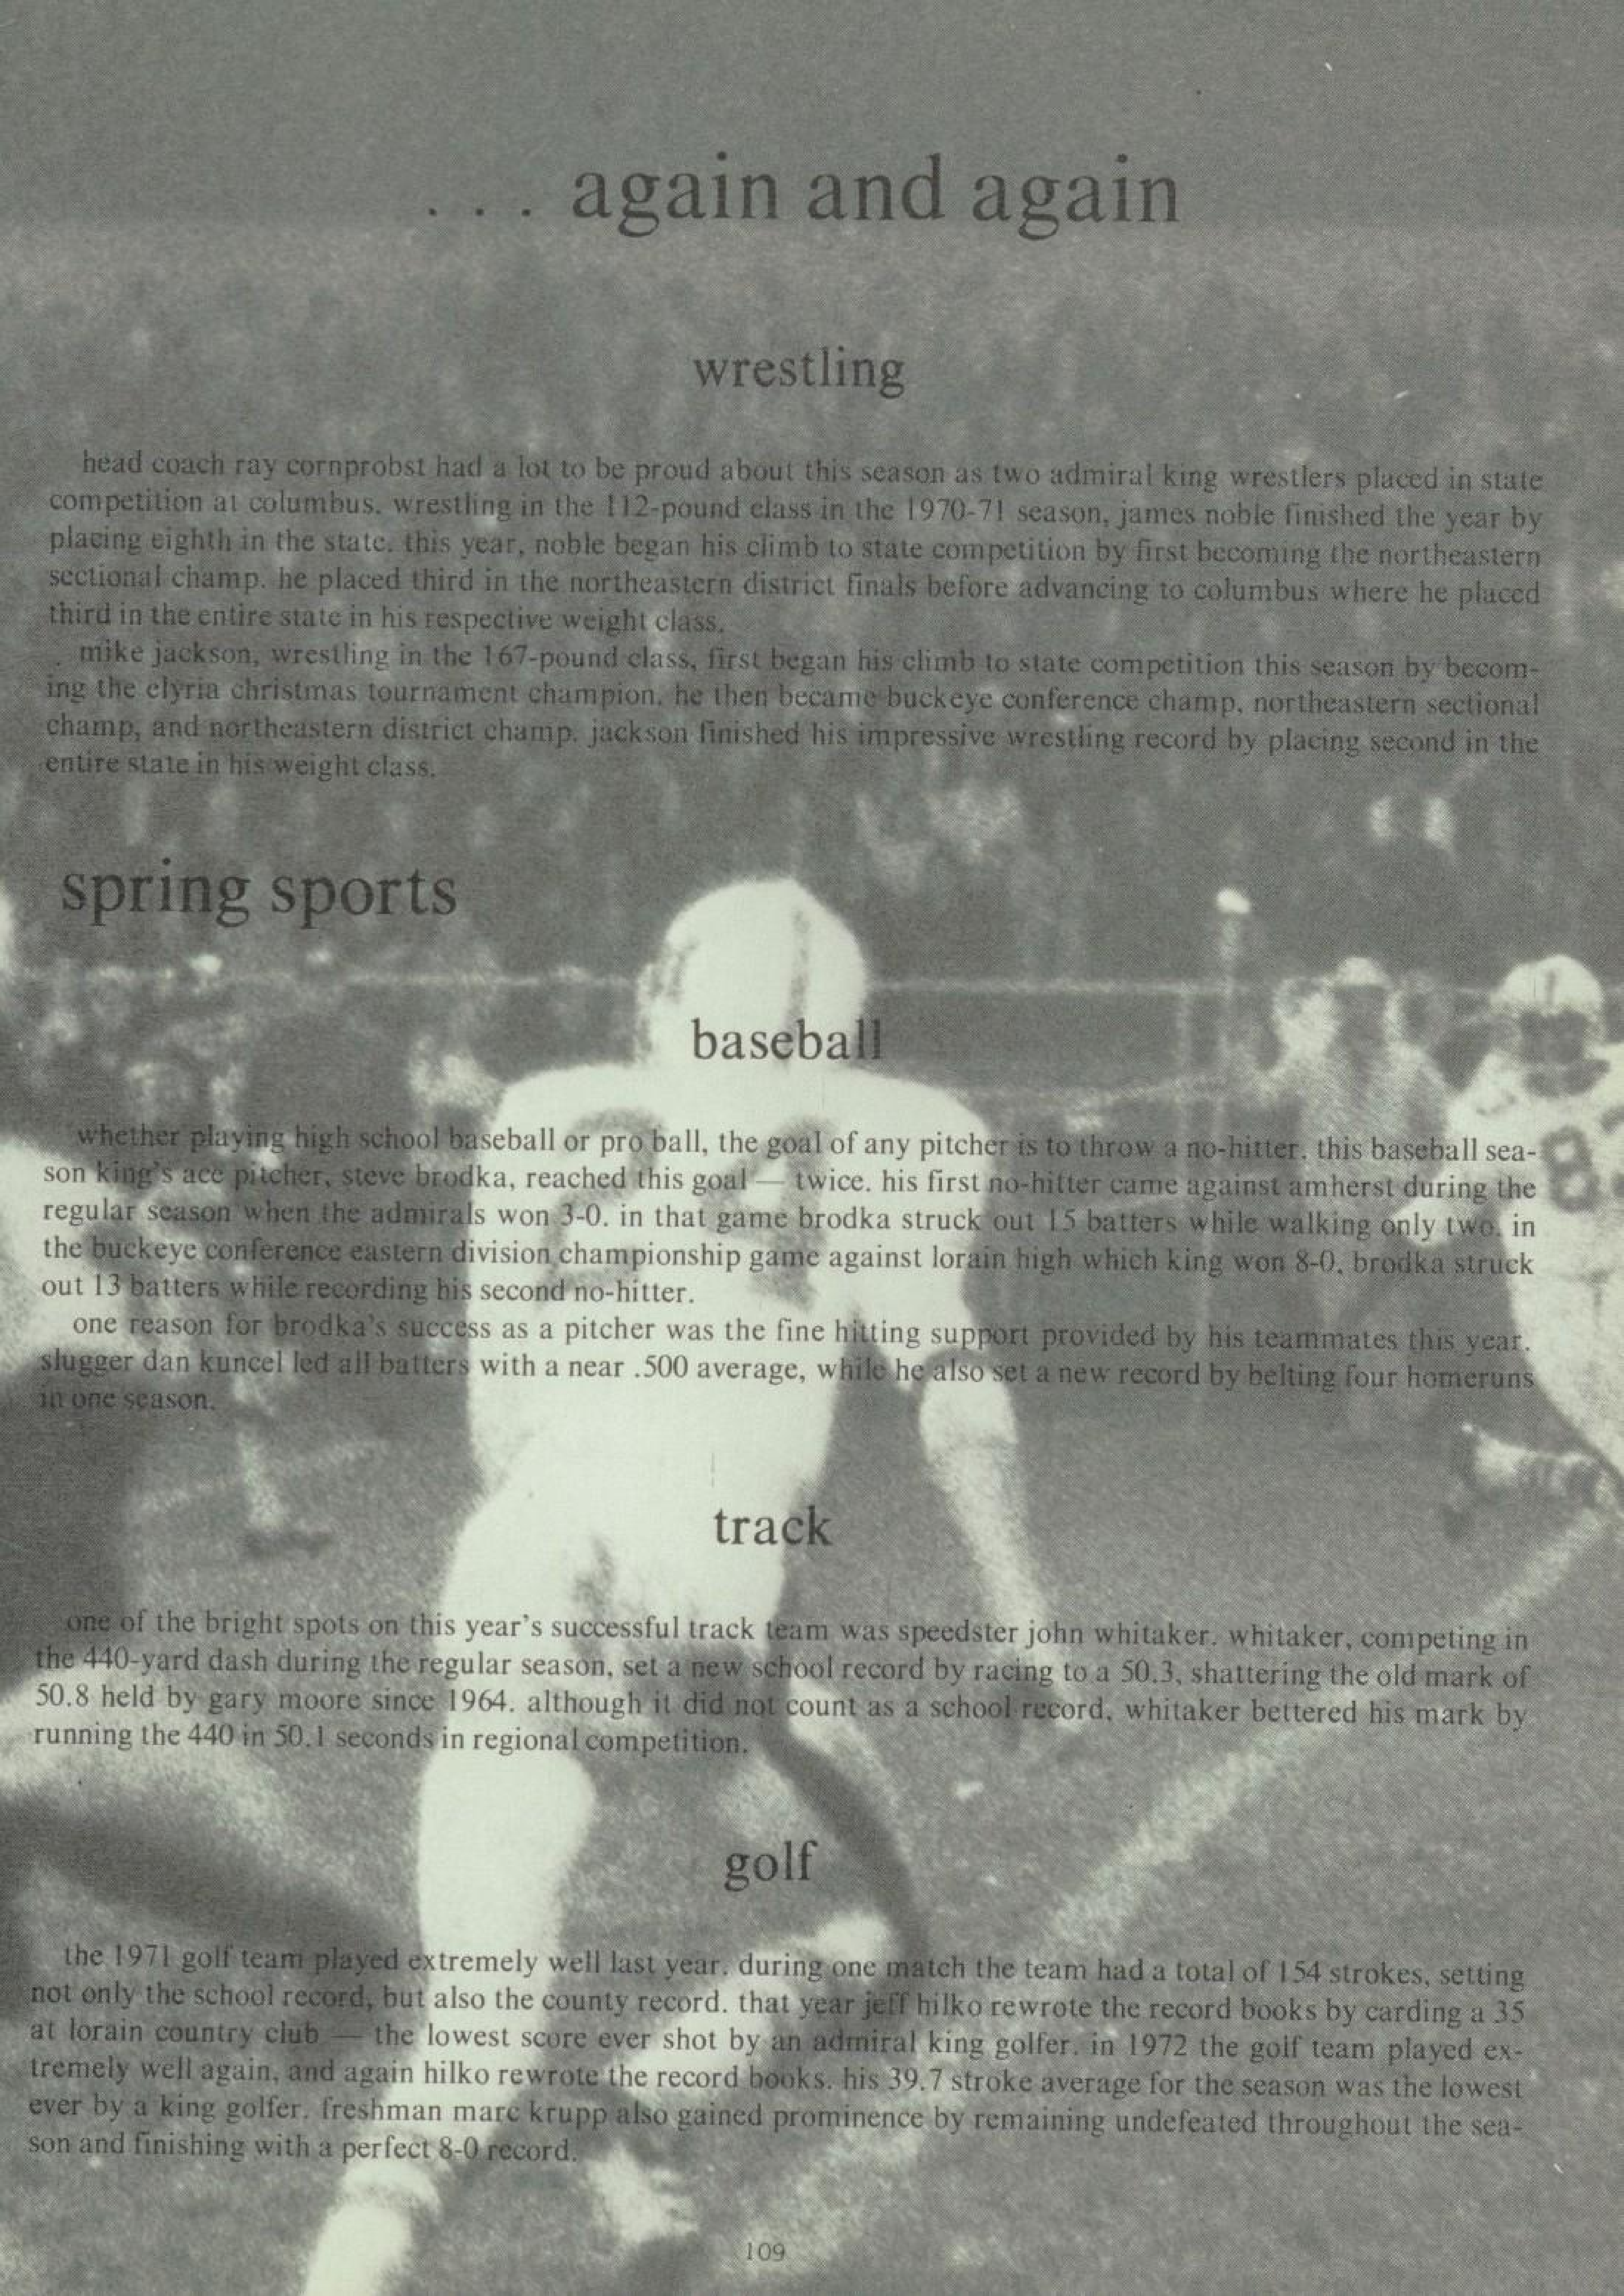
russell wolfe, the third record-setting gridder, broke four records in his varsity career. wolfe's 8.1 rushing average bettered the previous single season high of 7.1 held by willie rice since 1964, while his career rushing average of 6.6 yards per carry topped joe kozar's 5.6. wolfe not only has the longest king kickoff return, a 91-yard touchdown scamper, but he also has the longest scoring run from scrimmage — 90 yards.

not to be outdone, joe socha rewrote the record books with his booming 73-yard punt against mansfield last year.

winter sports

basketball

as a sophomore, doug taylor set a record by scoring 274 points in varsity action. taylor, however, was not content with having only one school record, so he decided to set a few more in his senior year. this year, the 6'1" senior set a record for the most consecutive foul shots as he pumped in twenty straight. not only did he have a hot hand at the foul line, but he was also deadly on his field goal attempts. as a result, taylor become the third leading scorer in admiral king history, scoring 933 career points and surpassing gary deidrick who dropped into fourth place.



. . . again and again

wrestling

head coach ray cornprobst had a lot to be proud about this season as two admiral king wrestlers placed in state competition at columbus. wrestling in the 112-pound class in the 1970-71 season, james noble finished the year by placing eighth in the state. this year, noble began his climb to state competition by first becoming the northeastern sectional champ. he placed third in the northeastern district finals before advancing to columbus where he placed third in the entire state in his respective weight class.

mike jackson, wrestling in the 167-pound class, first began his climb to state competition this season by becoming the elyria christmas tournament champion. he then became buckeye conference champ, northeastern sectional champ, and northeastern district champ. jackson finished his impressive wrestling record by placing second in the entire state in his weight class.

spring sports

baseball

whether playing high school baseball or pro ball, the goal of any pitcher is to throw a no-hitter. this baseball season king's ace pitcher, steve brodka, reached this goal — twice. his first no-hitter came against amherst during the regular season when the admirals won 3-0. in that game brodka struck out 15 batters while walking only two. in the buckeye conference eastern division championship game against lorain high which king won 8-0, brodka struck out 13 batters while recording his second no-hitter.

one reason for brodka's success as a pitcher was the fine hitting support provided by his teammates this year. slugger dan kuncel led all batters with a near .500 average, while he also set a new record by belting four homeruns in one season.

track

one of the bright spots on this year's successful track team was speedster john whitaker. whitaker, competing in the 440-yard dash during the regular season, set a new school record by racing to a 50.3, shattering the old mark of 50.8 held by gary moore since 1964. although it did not count as a school record, whitaker bettered his mark by running the 440 in 50.1 seconds in regional competition.

golf

the 1971 golf team played extremely well last year. during one match the team had a total of 154 strokes, setting not only the school record, but also the county record. that year jeff hilko rewrote the record books by carding a 35 at lorain country club — the lowest score ever shot by an admiral king golfer. in 1972 the golf team played extremely well again, and again hilko rewrote the record books. his 39.7 stroke average for the season was the lowest ever by a king golfer. freshman marc krupp also gained prominence by remaining undefeated throughout the season and finishing with a perfect 8-0 record.

exchange students

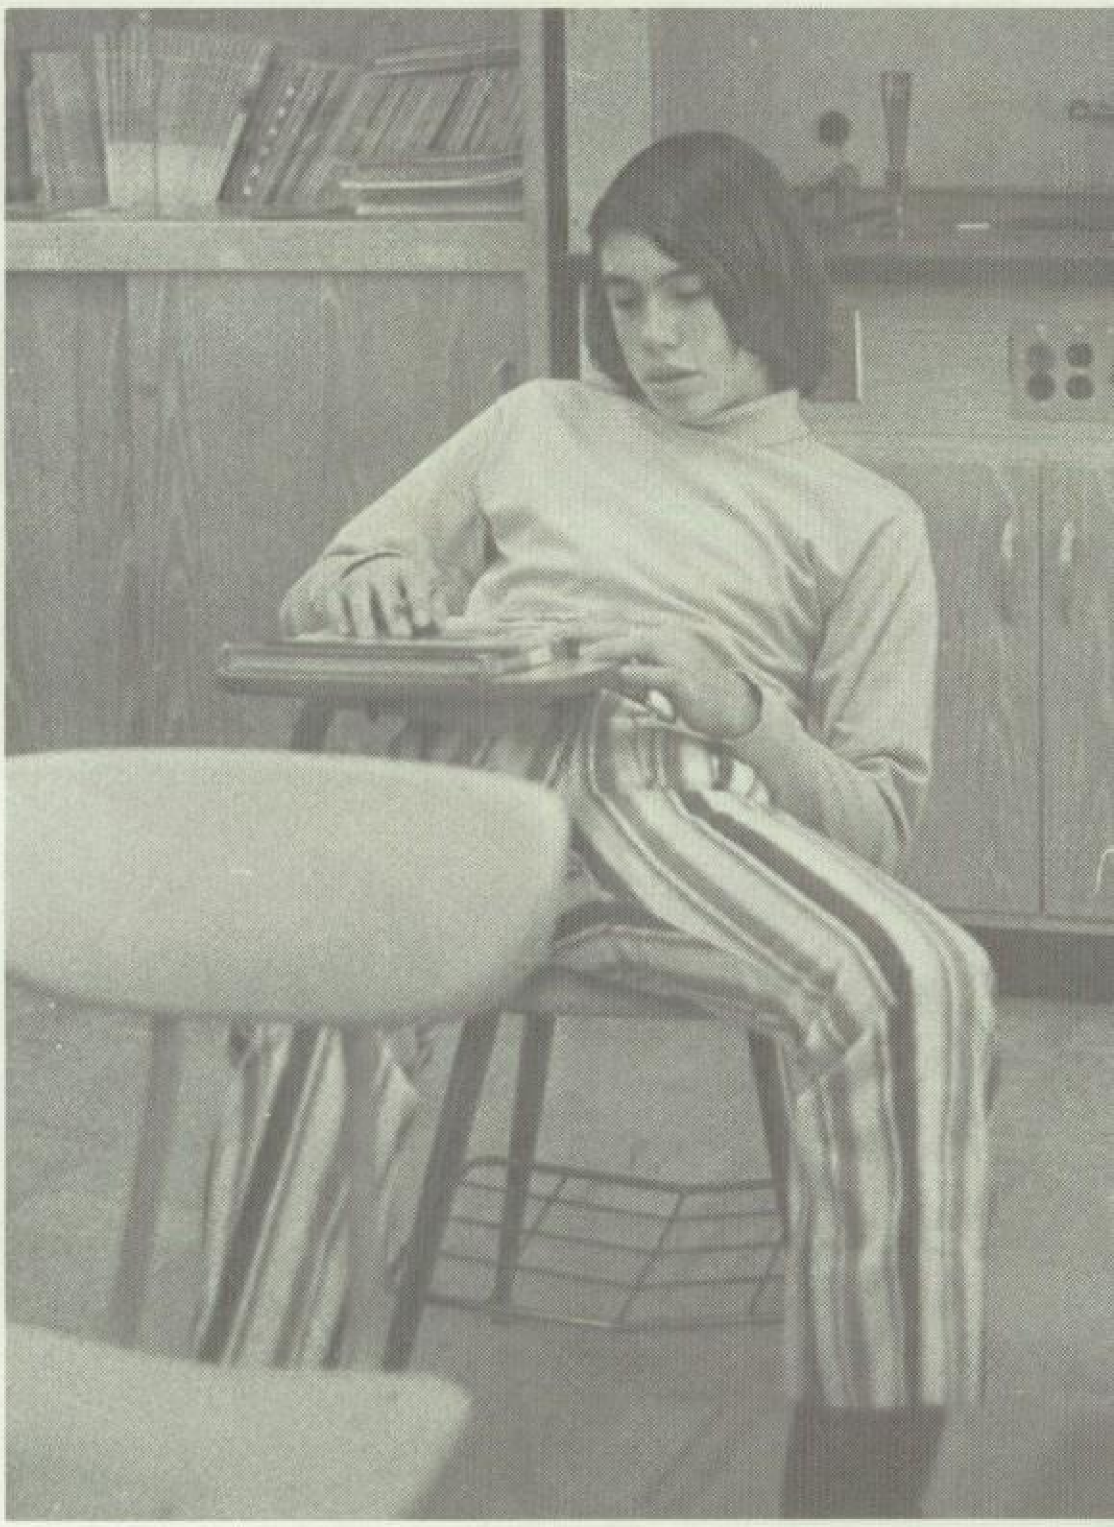
during the past school year, three chilean students spent part of their summer vacation here at king. they were: jose fernandez, 15 years old, from san salvador; jorge duran, 18 years old, from san viator; and yolanda ergas, 17 years old, from valdivia. in exchange, janet bergman, daughter of mr. and mrs. ivan bergman, a senior at king, spent her vacation in ecuador.

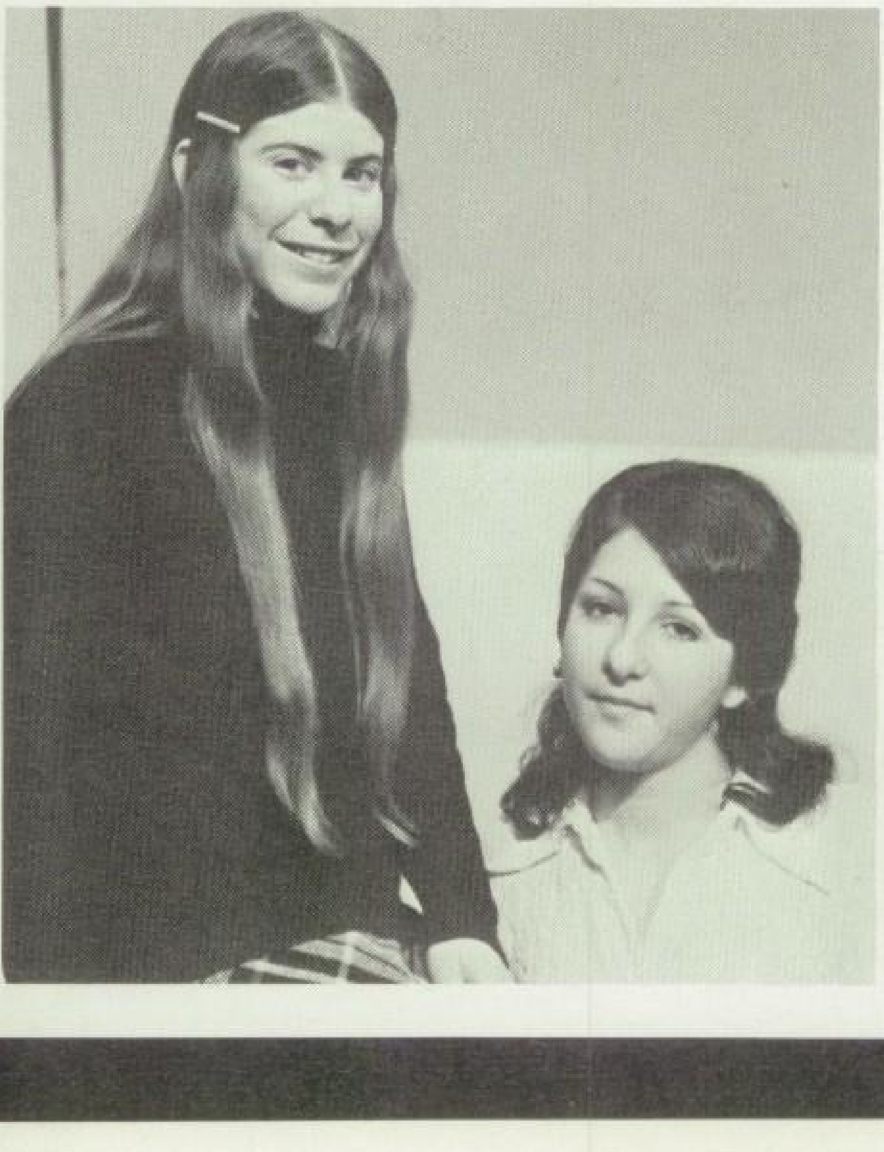
jose, who spent ten weeks here under the open door student exchange program, was the guest of mr. and mrs. william kepler of 4241 queen anne drive. his father is employed as a journalist, and his mother as a lithographer. part of jose's time is spent studying his favorite subjects of history and biology. besides this, english is also included in his curriculum.

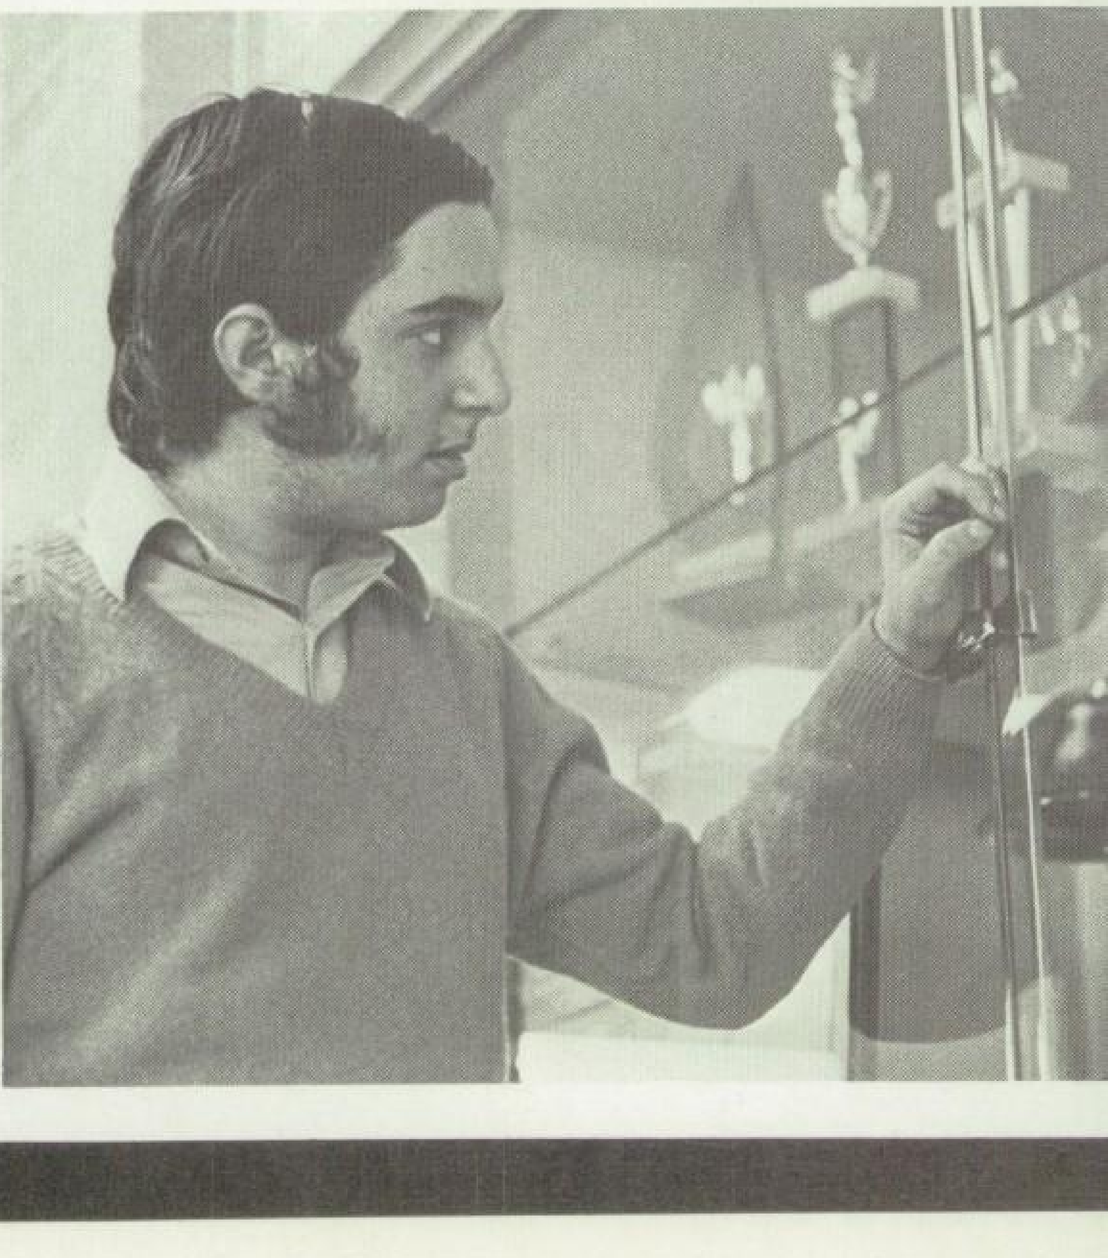
jorge was the guest of mr. and mrs. david kennedy of 1134 10th street. he visited the united states for ten weeks, but spent only eight of these in lorain. jorge, unlike jose, came under the international fellowship inc. he spends his spare time playing golf and basketball. when asked why he chose to visit the u.s., he replied "i want to know the way of living in those states and their people."

yoli, who has had five years of english, stayed with mr. and mrs. ivan bergman of 1431 west 35th street. like jose, she also came under the open door program for ten weeks. while at home, she lives with her parents, her grandmother, two brothers, and two sisters. her favorite pastime activities include gym, english, spanish, and physics.

janet, who was the first student from king to ever go on the open door policy, spent ten weeks of her summer vacation in guayaquil, ecuador. while in ecuador, she stayed with mr. and mrs. sucre calderon and their five children. one comment that janet had about ecuador was "the people there enjoy life so much more than we do."







far upper left — exchange student jose fernandez; far lower left — exchange students janet bergman and yoli ergas; far lower right — exchange student jorge duran; lower right — janet and some of her friends pose in front of a mosaic in ecuador.

sports king

the 1972 sports king, joe socha, was chosen through the co-operation of the combined coaches of admiral king. the varsity coaches were asked to nominate seniors from their squad whom they thought worthy of the title. after preliminary nominations, the head coaches then voted, judging them on character, sportsmanship, and athletic abilities.

all nominees are pictured on pages 145 and 146. pictured on this page is joe socha as a participant in three different sports.

alma mater

hail to our colors, gold and blue;
hail to our alma mater true;
throughout the years we shall stand by
with pride we'll keep your standards high.
the values we established here
will make our mem'ries ever dear.

oh, admiral king, so strong and bold,
our endless love can ne'er be told.
the light that you created here
will be a beacon through each year
and bring us always home to sing
the glory of our admiral king.
